2. Alteration of Risk
If there has been any alteration to the **Property Insured** and/or the **Premises** and/or the **Business** after the effective date of this insurance which increases the risk of loss, destruction, damage, accident or injury, or **Your** interest ceases except by will or operation of law, **We** will at **Our** option avoid the **Policy** from the date of such alteration or when **Your** interest ceases, unless **We** accept the alteration

b. Before a variation was agreed

If **You** have breached **Your** duty to make a fair presentation of the risk to **Us** before any variation to this policy was agreed, then:

- where the breach was deliberate or reckless, **We** may cancel this policy with effect from the date of the variation, and keep all premiums paid
- where the breach was neither deliberate nor reckless, and but for the breach:
 - o **We** would not have agreed to the variation on any terms, **We** may treat this policy as though the variation was never made, but will return any additional premiums paid
 - o **We** would have agreed to the variation but on different terms (other than premium terms), **We** may require that the variation includes such different terms with effect from the date it was made, and/or
 - o **We** would have agreed to the variation but would have increased the premium, or would have increased it by more than **We** did, or would not have reduced it or would have reduced it by less than **We** did, **Our** liability for any loss amount payable shall be limited on a proportionate basis, as outlined in Schedule 1 to the Insurance Act 2015.
