### PERSONAL INFORMATION

**We** collect and use personal information about **You** so that **We** can provide **You** with a policy that suits **Your** insurance needs. This notice explains the most important aspects of how **We** use **Your** information but **You** can get more information about the terms **We** use and view **Our** full privacy policy at [www.aviva.co.uk/privacypolicy](http://www.aviva.co.uk/privacypolicy) or request a copy in writing to us at Aviva, Freepost, Mailing Exclusion Team, Unit 5, Wanlip Road Ind Est, Syston, Leicester, LE7 1PD

**We** are the data controller responsible for this personal information as the insurer of the product. Additional controllers include your broker who are responsible for the sale and distribution of the product, and any applicable insurers, reinsurers or brokers we use.

### PERSONAL INFORMATION WE COLLECT AND HOW WE USE IT

**We** will use personal information collected from **You** and obtained from other sources:

- to provide **You** with insurance: **We** need this to decide if **We** can offer insurance to **You** and if so on what terms and also to administer **Your** policy, handle any claims and manage any renewal.
- to support legitimate interests that **We** have as a business. **We** need this to:
- manage arrangements **We** have with **Our** insurers, reinsurers and brokers **We** use, and for the detection and prevention of fraud,
- help **Us** better understand **Our** customers and improve **Our** customer engagement. This includes profiling and customer analytics which allows **Us** to make certain predictions and assumptions about **Your** interests, make correlations about **Our** customers to improve **Our** products and to suggest other products which may be relevant or of interest to customers,
- to meet any applicable legal or regulatory obligations: **We** need this to meet compliance requirements with **Our** regulators (e.g. Financial Conduct Authority), to comply with law enforcement and to manage legal claims, and
- to carry out other activities that are in the public interest: for example **We** may need to use personal information to carry out anti-money laundering checks.

The personal information **We** collect and use will include name, address, date of birth and financial information. If a claim is made **We** will also collect personal information about the claim from **You** and any relevant third parties. **We** may also need to ask for details relating to the health or any unspent offences or criminal convictions of **You**. **We** recognise that information about health and offences or criminal convictions is particularly sensitive information. **We**'ll ensure that **We** only use that information where **We** need to for **Our** insurance purposes (including assessing the terms of **Your** insurance contract, dealing with changes to **Your** policy and/or dealing with claims).

There may be times when **We** need consent to use personal information for a specific reason. If this happens **We** will make this clear to **You** at the time. If **You** give **Us** consent to using personal information, **You** are free to withdraw this at any time by contacting **Us** – refer to the “Contacting **Us**” details below. Please note that if consent to use this information is withdrawn **We** will not be able to continue to process the information **You** gave **Us** for this/these purposes(s). This would not affect **Our** use of the information where consent is not required.

Of course, **You** don't have to provide **Us** with any personal information, but if **You** don't provide the information **We** need **We** may not be able to proceed with **Your** application or any claim **You** make.

Some of the information **We** use as part of this application may be provided to **Us** by a third party. This may include information already held about **You** within the Aviva group, including details from previous quotes and claims, information **We** obtain from publicly available records, **Our** trusted third parties and from industry databases, including fraud prevention agencies and databases.

### CREDIT REFERENCE AGENCY SEARCHES

To ensure the **We** have the necessary facts to assess **Your** insurance risk, verify **Your** identity, help prevent fraud and provide **You** with **Our** best premium and payment options, **We** may need to obtain information relating to **You** at quotation, renewal and in certain circumstances where policy amendments are requested. **We** or **Our** agents may undertake checks against publicly available information (such as electoral roll, county court judgments, bankruptcy orders or repossession(s)). Similar checks may be made when assessing claims.

The identity of **Our** Credit Reference Agency and the ways in which they use and share personal information, are explained in more detail at [www.transunion.co.uk/crain](http://www.transunion.co.uk/crain).

### AUTOMATED DECISION MAKING

**We** carry out automated decision making to decide whether **We** can provide insurance to **You** and on what terms. In particular, **We** use an automated underwriting engine to process the personal information **You** provide as part of this application process. This will include **Your** age and the level of cover **You** choose. **We** do this to calculate the insurance risk and how much the cover will cost **You**. Without this information **We** are unable to provide a price that is relevant to **Your** individual circumstances and needs. **We** regularly check the way **Our** underwriting engine works to ensure **We** are being fair to **Our** customers. After the automatic decision has been made, **You** have the right to speak to someone from Aviva who may review the decision and provide a more detailed explanation. If **You** wish to invoke this right please contact **Us** at [dataprt@aviva.com](mailto:dataprt@aviva.com).
